### **Registration of Successful Candidates in the Public Register**

The persons listed in the above Table of Successful Candidates and who will be registered in the Public Register for the **first time**, must complete the attached [Registration Form](#). The Registration Form must be sent, in excel form, via email, to the electronic address: [certifications@cysec.gov.cy](mailto:certifications@cysec.gov.cy) within one week from the date of the announcement of this Circular.

[CySEC Guidelines to CIFs \(Circular C025\)](#), published in May 2012, stipulate, among other things, the minimum qualifications (good repute, academic/professional qualifications or relevant working experience) that the persons engaged in the provision/carrying out of investment services/activities should possess, in addition to their registration in the Public Register.

### **Annual renewal of the Registration in the Public Register**

In accordance with Paragraphs 17(1) and 17(2) of the Directive:

*“(1) Persons registered in the public register shall be obliged to renew their registration in the public register within two months from the end of each calendar year **that follows their registration** in the public register.*

*(2) Persons registered in the public register shall be deemed to have renewed their registration when they:*

*(a) submit to the Commission a statement of continued professional training (“CPT”) on topics that fall within the existing legislation on the capital market, of a duration of ten (10) hours for persons registered in the public register for the basic examination and of a duration of fifteen (15) hours for persons registered in the public register for the advanced examination, for each calendar year.*

*(b) pay to the Commission an annual renewal fee of eighty euro (€80).”*

Following the above, the persons registered in the public register for the first time, in 2017, are obliged to renew their registration in the public register, within two months from the end of 2018 (**01/01/2019 to 28/02/2019**), by completing during 2018 the CPTs, as provided for in paragraph 17(2)(a) of the Directive and by paying the annual renewal fee of €80, as provided for in paragraph 17(2)(b) of the Directive.

The persons already registered in the public register under the Basic Examination, and who have succeeded in the Advanced Examination during 2017, are upgraded in the register by CySEC. However, they have to renew their registration in the Public Register by the end of February 2018, in Advanced Level in accordance with the Directive, by paying the renewal fee of €80 and by completing 10 hours of CPTs during 2017 the time in which they succeeded the Advanced examination. The CPTs have to be increased to 15 hours during 2018 for the renewal of Advanced Level and submitted until February 2019.

All enquiries and clarifications regarding the above should be addressed to: [certifications@cysec.gov.cy](mailto:certifications@cysec.gov.cy)

Yours sincerely

Demetra Kalogerou  
Chairman of the Cyprus Securities and Exchange Commission
