

ANNOUNCEMENT

The Cyprus Securities and Exchange Commission would like to draw the attention of the supervised entities and other market participants to the fact that the launch of the Mechanism for the Central Storage of Regulated Information (OAM) from the Cyprus Stock Exchange and the submission of information to the Mechanism for storage purposes, does not change in any way the obligation of the issuers and/or any other individuals for the submission of information to the Cyprus Securities and Exchange Commission which stems from the securities market regulations.

Nicosia, 16 October 2012
