[ESMA Guidelines for the assessment of knowledge and competence](#) published in January 2017, specify the criteria for the assessment of knowledge and competence that the persons engaged in the provision/carrying out of investment services/activities should possess in addition to their registration in the Public Register.

Annual renewal of the Registration in the Public Register

In accordance with Paragraphs 17(1) and 17(2) of the Directive:

*“(1) Registered persons shall be obliged to renew their registration in the certification register **within two months from the end of each calendar year.***

(2) Registered persons shall be deemed to have renewed their registration when they:

(a) submit to the Commission a statement of continued professional training on topics that fall within the relevant legislative framework which applies to them and which relates directly to the duties which they will undertake as part of their certification, of a duration of:

- i. ten (10) hours for persons registered in the public register for the basic examination,*
- ii. fifteen (15) hours for persons registered in the public register for the advanced examination,*
- iii. ten (10) hours for persons registered in the public register for AML compliance officers, for each calendar year, and*

(b) pay to the Commission an annual renewal fee of eighty euro (€80).

We note that the renewal procedure is performed online, through the following link:

<https://www.cysec.gov.cy/en-GB/public-info/certifications-and-seminars/certifications/>

Following the above, the persons registered in the public register for the first time, in 2019, are obliged to renew their registration in the public register, within two months from the end of 2019 (**01/01/2020 to 28/02/2020**), by aquaring during 2019 the CPTs, as provided for in paragraph 17(2)(a) of the Directive and by paying the annual renewal fee of €80, as provided for in paragraph 17(2)(b) of the Directive.

The persons already registered in the public register under the Basic Examination, and who have succeeded in the Advanced Examination during 2019, are upgraded in the register by CySEC. However, they have to renew their registration in the Public Register by the end of February 2020, in Advanced Level in accordance with the Directive, by paying the renewal fee of €80 and by aquaring 10 hours of CPTs during 2018 the time in which they succeeded the Advanced examination.
