

## **ANNOUNCEMENT**

The Cyprus Securities and Exchange Commission (CySEC) informs the current and the upcoming holders of the digital signature certificate that the renewals of the digital certificates, the submission of the application for new digital certificates as well as the token delivery to the users will be done, as of today, via the Cyprus Stock Exchange (CSE) which is the Local Registration Authority of Adacom for the recognized digital certificates.

For more information, the interested parties can visit the [dedicated section](#) on CySEC website or communicate directly with CSE at [supportds@cse.com.cy](mailto:supportds@cse.com.cy) or at telephone 22 712 300.

Finally, CySEC reminds that all electronically submitted documents must contain valid and recognized digital signature.
