

ANNOUNCEMENT

The Cyprus Securities and Exchange Commission (the 'Commission') draws the investors' attention that the address <http://cysec.eu> which diverts to the Web Site with address <http://www.360-forex.com/> has no relationship with the Commission.

The address <http://cysec.eu> is similar to the address of the official Web Site of the Commission, <http://cysec.gov.cy> and therefore we ask the investors and the public in general to be careful.

The Commission is contemplating whether to take action in order to cancel the above address (being <http://cysec.eu>).
