

## ANNOUNCEMENT

### **ESMA launched the process for renewing its Securities and Markets Stakeholder Group**

The European Securities and Markets Authority (ESMA) launched the process for renewing its Securities and Markets Stakeholder Group (SMSG) which is made up of representatives from different sectors of the financial markets – market participants, academia, consumers, investors, employees etc. – from across the European Union. The composition of the group should also have a broad geographical spread. All the documents are available at this link in the related documents section on the right. <https://www.esma.europa.eu/press-news/esma-news/esma-seeks-candidates-its-stakeholder-group>

The deadline for applications is 6 September 2018. The final decision on the composition of the SMSG is expected to be made by the ESMA Board of Supervisors in November 2018.

Any additional request for information should be addressed to ESMA.
