1. Information Requested by CySEC

- 1.1 The latest version of the **Form CA-CIF** (the 'Form'), **Version 2**, found in the [Appendix](#), must be completed and submitted to CySEC by **all CIFs that were authorised by December 31, 2022**. In this respect, CIFs that were authorised by December 31, 2022, but have not made use of their authorisation **must also submit the Form**.
- 1.2 The steps that CIFs will have to follow, for the successful submission of the Form to the TRS, can be found [here](#). Upon submission, CIFs are responsible to ensure that they have received a **feedback file**, i.e. an official submission confirmation dispatched by the TRS in the Outgoing directory.
- 1.3 The feedback file will either contain a NO ERROR indication or, in case that an error(s) has occurred during submission, the description of that error(s). In case of any errors detected during the submission of the Form, CIFs must review the Form and ensure that all errors are addressed and corrected, before they digitally sign (only applicable for the Excel files) and re-submit the Form. **The Form is regarded as being successfully submitted to CySEC, only when a NO ERROR indication feedback file is received**. This feedback file is dispatched, only during CySEC regular hours.

2. Deadline for the submission of the Form

- 2.1 The Form must be successfully submitted electronically via the CySEC's Transaction Reporting System ('TRS') **by 15:00 hrs, Monday, February 13, 2023, the latest**. CySEC wishes

to emphasise the importance of meeting the deadline set, for successful submission of the Form.

2.2 In general, the deadline for the submissions of the Form to TRS, will be 6 weeks after the quarter end. Please refer to the table below for submission deadline of Q4 2022:

4. Method of creating, signing and submitting the Form to the CySEC

After populating the required Excel fields in the Form, CIFs should name their Excel file in accordance to the following naming convention:

Username_yyyymmdd_CA-CIF

The information below explains the naming convention:

- (1) **Username** – is the username of the TRS credentials, which should already be in the possession of the CIFs, which have previously submitted any electronic files to the TRS system. This codification should be entered in capital letters. CIFs, that have not previously requested the TRS credentials, can do so, by referring [here](#), where further information is provided about the TRS.
- (2) **yyyymmdd** – this denotes the end of the reporting period of the Form. In this case, the Form should have a 20221231 format. Future forms will have different reporting periods.
- (3) **CA-CIF** – this is the coding of the Form, that it remains unchanged and should be inserted, exactly as it appears.
- (4) **The Excel® must be of 2007 version and onwards.** Excel will add the extension .xlsx, as soon as it is saved. This extension should not under any circumstances, be inserted manually.

The fully completed excel form, which is named based on the above paragraph, must be submitted only electronically, through the Transaction Reporting System ('TRS'), within the timeframes set.
