

ANNOUNCEMENT

The Cyprus Securities and Exchange Commission is pleased to announce the successful participation of its group of volunteers in the clean-up campaign *Let's Do It Cyprus!* that took place on September 29th, 2012.

The clean-up campaign *Let's Do It Cyprus!* was considered to be the largest environmental protection and social involvement project ever conducted in Cyprus and is a part of the international campaign *Let's Do It World!* which is implemented successfully in 100 countries all over the world.

Participation in this campaign was on an entirely volunteer basis and aimed mainly to clean up important ecosystems such as beaches, forests, mountains, rivers, lakes and any other polluted natural areas in Cyprus.

Further objectives of the campaign were to raise awareness, educate and improve attitudes of Cypriot citizens towards waste handling, recycling and environmental protection, as well as to create a basis for fulfilling a long term goal that is to alter the habits of citizens and supporting a sustainable society in Cyprus.

The Cyprus Securities and Exchange Commission supports and encourages the active participation of its employees in volunteer activities which constitute a key element for the development of social solidarity.

The group of volunteers of the Cyprus Securities and Exchange Commission worked to clean up the area of the river Pedieos along the pedestrian- bicycle walkway which starts close the Presidential Palace and reaches up to the old Nicosia General Hospital.
