

ANNOUNCEMENT

The Cyprus Securities and Exchange Commission (the “Commission”) announces that the Public Register of Certified Persons employed in IFs, Credit Institutions, Management Companies and Variable Capital Investment Companies (“Public Register”) has been updated according to the applications for renewal received.

The Public Register is available on the Commission’s website at: <http://www.cysec.gov.cy>. The Register includes all persons who have renewed their registration according to the Commission’s Directive for the certification of persons and the public register (R.A.D. 499/2012) (“the Directive”).

It is noted that, a number of persons have not paid the renewal amount as laid down in the Directive or have not sent the form properly completed ([Renewal form](#)). Therefore, these persons are not included in the register that has been posted on the website since the renewal of their registration is incomplete. The inclusion of these persons in the Register may only be made upon completion of the renewal of their registration.

It is recommended that all persons who have sent an application for renewal of registration ensure the correct entry of their data in the Register.

It is further noted that the renewal of registration may be made up until 31/12/2014. All persons who want to renew their registration are encouraged to do so immediately. Those persons who were registered in the Public Register and do not proceed to a renewal of their registration will be deleted and can re-register **only** after succeeding in the relevant exams.

It is emphasized that only persons who are registered in the Public Register or have been granted an exception may exercise the investment services defined in the Directive.

For any queries/information regarding the certification of persons and the public register, please contact via email to: certifications@cysec.gov.cy
