SUBJECT : **Risk Based Supervision Framework (the 'RBS-F') – Electronic submission of information for the year 2025 (Form RBSF-CASP)**

The present Circular is issued pursuant to section 25(1)(c)(ii) & (iii) of the Cyprus Securities and Exchange Commission Law of 2009 (the 'CySEC Law'), as amended.

The Cyprus Securities and Exchange Commission (the 'CySEC') wishes to inform the CASPs registered with CySEC, providing services in or from Cyprus about the following:

1. Information Requested by CySEC

- 1.1.** A new version of the **Form RBSF-CASP** (the 'Form'), **Version 3**, found in the [Appendix](#), is now issued and its scope is the collection of various statistical information. This Form is issued on an annual basis. CySEC will use this information, for the purposes of conducting statistical analysis, risk management and other purposes.
- 1.2.** The Form must be completed and **successfully submitted** to CySEC, by **all Crypto Asset Services Providers ('CASPs') that were authorised by December 31, 2025. Furthermore, all CASPs registered with CySEC, irrespective of whether they were operational as at 31 December 2025, must also submit the Form.**
- 1.3.** The Form must be **successfully submitted electronically** via the CySEC's Transaction Reporting System ('TRS') **by Friday, May 8, 2026, the latest.**
- 1.4.** The steps that CASPs will have to follow, for the successful submission of the Form to the TRS, can be found [here](#). Upon submission, CASPs are responsible to ensure that they have received a **feedback file**, i.e. an official submission confirmation dispatched by the TRS in the Outgoing directory.
- 1.5.** The feedback file will either contain a NO ERROR indication or, in case that an error(s) has occurred during submission, the description of that error(s). In case of any errors detected during submission of the Form, CASPs must review the Form and ensure that all errors are addressed and corrected, before they digitally sign and re-submit the Form. **The Form is regarded as being successfully submitted to CySEC, only when a**

NO ERROR indication feedback file is received, within the deadlines set in point 1.3. above. This feedback file is dispatched, only during CySEC regular hours.

- 1.6. CySEC wishes to emphasise the importance of meeting the deadline of **Friday, May 8, 2026**. Failure to comply with the above promptly and duly, may bear the administrative penalties of section 37(5) of the CySEC Law. It is further noted that CySEC will **not** send any reminders to those CASPs, which fail to comply promptly and duly.

2. Additional Information Requested

No additional information is requested on this version of the Form in relation to version 2 of the Form.

3. General Comments for the Form

- 3.1. The Form will be completed only for the **reporting period 01/01/2025 – 31/12/2025 and using 31/12/2025 as a reference date.**
- 3.2. The Form will be available **only** in the **English language.**
- 3.3. CASPs are required to report data in **Euro**, rounded to the nearest unit.
- 3.4. Please always ensure that you have the latest version of the Form, i.e. **Version 3.**
- 3.5. Instructions on the completion of the Form can be found in the ‘**Instructions**’ Worksheet of the Form.
- 3.6. **Before submitting the Form, please ensure that all validation tests that are contained in the Form (Sections A, B, C, D, E, F, G, H, I, J, K and Validation Tests Worksheet) are TRUE (Green Color).**

4. Method of creating, signing and submitting the Form to the CySEC

CASPs should take note **that a digital signature is required** for the successful submission of the Form. After populating the required Excel fields in the Form, the CASPs should name their Excel file in accordance to the following naming convention:

Username_yyyymmdd_RBSF-CASP

The information below explains the naming convention:

- (1) **Username** – is the username of the TRS credentials, which has been sent to the CASP by the authorisation department. This codification should be entered in capital letters. CASPs that have not received the TRS credentials can do so by referring [here](#) where further information is provided about the TRS.

- (2) **yyyymmdd** – this denotes the end of the reporting period of the Form. In this case, the Form should have a 20251231 format. Future forms will have different reporting periods.
- (3) **RBSF-CASP** – this is the coding of the Form, that remains unchanged and should be inserted, exactly as it appears.
- (4) **The Excel® must be of 2007 version and onwards.** Excel will add the extension .xlsx as soon as it is saved. This extension should not be inserted manually, under any circumstances.

The fully completed excel form, which is named based on the above paragraph, must be submitted only electronically, through the Transaction Reporting System ('TRS'), within the timeframes set.
